**Kennesaw State University**, Kennesaw, GA — Masters of Education in Instructional Technology — 2014

**Kennesaw State University**, Kennesaw, GA — Bachelor of Science in Political Science/History — 1998

**Jones County College**, Ellisville, MS — Associate in Applied Science in Computer Technology — 1991

**Apple Academy**, Cupertino, CA — Certified Apple Foundation Trainer — 2014

## EXPERIENCE

**Instructional Technology Coordinator, Darlington School; Rome, GA 2011**

### Present

**Administrative Role** - Directed the school's entire academic technology program through all grade levels, successfully designed and implemented schools 1to1 Apple MacBook and iPad program, developed and executed the schools new "Student Online Safety" plan. Integrated technology across the board, PreK through 12th grade. Initiated "Project-based" and Differentiating Learning. Designed Darlington's 21st century skill set curriculum. Designed and implemented an eBook initiative 1st-12th grade. Designed an online professional development training program for faculty and staff.

**Educational Technologist, The Lovett School; Atlanta, GA 1999-2011**

**Leadership Role** - Dramatically boosted the school's overall capacity for teaching with technology by initiating collaborations, boosting confidence, setting reliable expectations, systematically upgrading available hardware, successfully implemented schools 1to1 Apple laptop program 4th - 8th grade, and designed schools successful professional development program. Taught 1st, 2nd and 3rd grade technology classes in a lead setting. Initiated project and challenge based learning across the board. Designed curriculum for 1st through 6th grade

**Support Role** - Managed and maintained the middle and lower school's 3 computer labs including server account maintenance as well as four-hundred student laptops. Provided daily assistance to lead and assistant classroom educators with any technology needs. Worked all summer to provide fresh, updated and new computers for the following school year. Taught continuing education classes for students and adults in Mac OSX, iLife, iWork, and Microsoft Office.

**Adjunct Professor, Georgia Northwestern Technical College; Rome, GA 1998-1999**  
Taught classes such as; Windows for Power Users, Website Development and Design, Basic Computer and Office Technology, C+, Cobol programming, and A+ Certification.

**Computer Specialist and Trainer, Floyd College; Rome, GA 1997-1999**  
Maintained all computer desktops and laptops for entire campus staff, faculty and computer labs, including: hardware, software and user interface problems. Oversaw maintenance of all computers on all 4 satellite campuses. Networking in Microsoft Client. Windows and Macintosh Operating Systems. Taught Microsoft training classes to faculty, staff and students. Helped initiate one of the first college 1to1 laptop programs.

**Webdesigner and Online Manager, Richard Marx Music; Atlanta, GA 1997-2012**  
Lead web developer for richardmarx.com and richardmarxonline.com. Managed pop singer Richard Marx's online presence through his website, Facebook, twitter, myspace and youtube. Designed and implemented his website, managed his fan base through online posting boards and databases, managed his Twitter, YouTube and Facebook page. Worked with marketing and record companies to implement the "brand" for concerts, music releases, contests and public appearances.
